

Short Course Guide

SHORT COURSES, WORKSHOPS, ACTIVITIES & SOCIAL GROUPS @ BOROONDARA'S NEIGHBOURHOOD HOUSES

Semester 1: January to June 2020

WHO WE ARE & WHERE WE ARE

The City of Boroondara is home to eleven Community and Neighbourhood Houses.

Our Centres offer over 200 courses and activities; ranging from art groups, further education and personal development, friendly fully-accredited childcare facilities, child and youth activities, social groups to fitness classes – all conveniently located around Boroondara.

You will be surprised at what is on offer and how close you are to one!

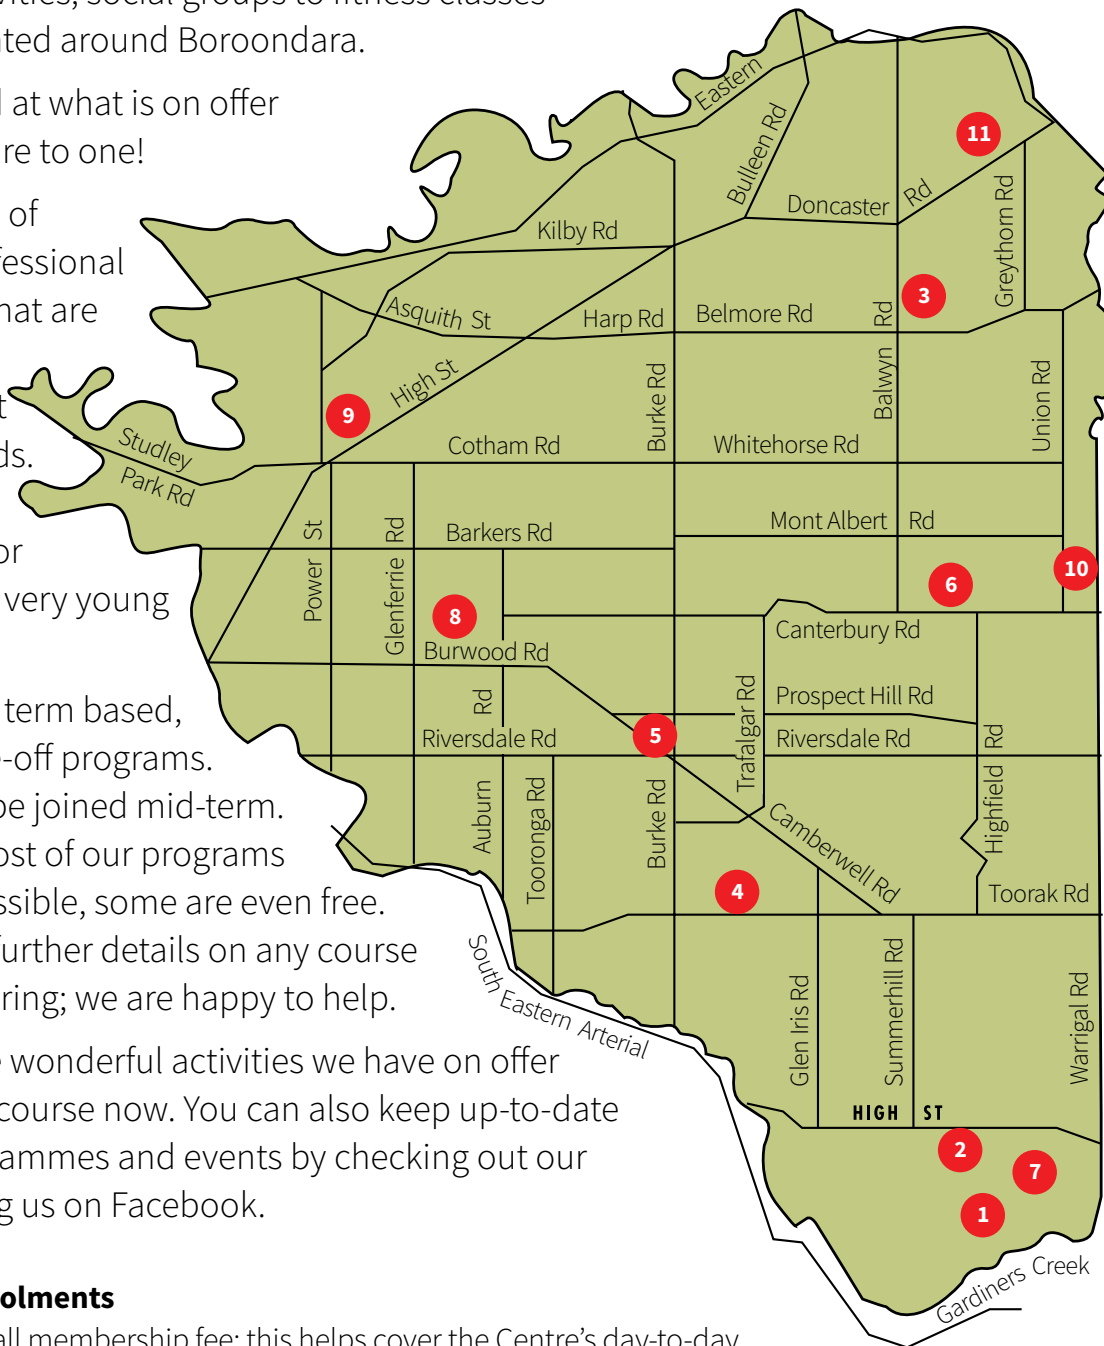

We have many years of experience with professional tutors and courses that are constantly evolving and growing to meet our community needs. Most importantly, there is something for everyone – from the very young to the most senior.

Courses are a mix of term based, short courses or one-off programs. Often activities can be joined mid-term. We try to keep the cost of our programs affordable and accessible, some are even free. Call our Centres for further details on any course that you are considering; we are happy to help.

Look up some of the wonderful activities we have on offer and enrol in a short course now. You can also keep up-to-date with our latest programmes and events by checking out our websites or following us on Facebook.

Memberships and Enrolments

Most Centres have a small membership fee; this helps cover the Centre's day-to-day running costs, administration overheads and hospitality expenses. All courses are subject to sufficient enrolments and may be cancelled at the discretion of the Centre's management. Dates and costs are correct at time of printing and may change occasionally.
